

RULES

1. A space rather than a place
 - a. Space - “is given by the ability to move ” ¹
 - b. Place – “ is a special kind of object ... in which one can dwell ” ²
2. A transitional space rather than a point of arrival or departure
 - a. People are moving through it
3. Have interesting natural lighting.
 - a. Interesting – “ it attracts your attention ” ³
 - b. Changes over the day
 - c. Contrasts in different sections of the space
4. Does not to be special or inspirational.
 - a. Special – “different from normal.”⁴
 - b. Inspirational (Inspiration) – “is a feeling of enthusiasm you get from someone or something, which gives you new and creative ideas.”⁵
5. Does not need to be too big
 - a. Width = arm span 171cm - not more than 200cm
 - b. Height = not bothered - a range of heights would provide different lighting potential
 - c. Length = not bothered
6. Needs to be accessible (to me) –
 - a. I don’t own a car so walking or bus – home to uni distance - 2.4 km.
7. Needs to be accessible at any time of day
 - a. public space (not ‘public’ like Jubilee Square) - no gates/ closed off areas.
8. In an urban area rather than nature
9. Somewhere I felling comfortable spending time in and working

PLAN

TRIP 1

SUN AT 11:57

Wentworth street -coop

Backs of houses rather than fronts

New Steine mews - private property

Rock place

Wind tunnel

Corner after digital freelance .. maybe someone's driveway?

Between church and next building

Does it need to be a road .. specific corner/ stairs/ passage way - fulfills the space not place criteria for everyone? - accessibility in stairs' case

Marine gardens - all these roads -possibly too much wind - would just be loud and annoying

SUN AT 12:38

Eastern street long enough not to be a wind tunnel – many spaces where there's no fronts of houses

Narrow enough

Arm span width

Interesting textures walls

High difference left wall to right wall.

light??

Sense of light at the end of the tunnel
