

Conversations on Cultural Identity with Lemuel Unaji and Kynza Kj

Dress: Please wear anything 'casual' that you're comfortable in

Location: Please could you be in a 'sound secure' location with plenty of light. Possibly your bedroom or if you still have access to it, your art space that you used for the Tate Collective work.

Sound: Please be prepared to speak semi loudly/clearly and not have too much background noise.

Call Equipment: If you have a 'recentish' iPhone or laptop for FaceTime, that would be great.

The call will take place on Facetime or if this is not possible, over WhatsApp or Zoom. Please let me know what will work best for you.

I will call you, so if you could please send me your mobile number or contact details that would be great.

Just in case, mine is 07753234310.

I will direct you on where to place your call device and this will change throughout the shoot/interview. Please be prepared to have a surface on which to place your device.

Regarding the interview, it will hopefully be a natural and comfortable conversation. There are no wrong or right answers, this is purely personal to you.
If you don't want to answer a question or say something that you would not like to be a part of the interview, please let me know.
Also, please let me know prior to or throughout the call if there is anything you're not comfortable speaking about.

Please see form to sign agreeing to take part in the project.

If you're comfortable with this, it would be great if, after the interview, we could shoot some natural b-roll with close ups of your face, hands and other details.

Let me know if you have any questions :)

Thank you so much, looking forward to it!

Kynza
