

# March for Education

**Thursday 16th February**

**11:30am** - Assemble at Brighton railway station

**12pm** - March to Victoria Gardens for a rally including speakers from striking unions.

Staff at every University in the country are on strike to fight against huge pay cuts, crushing workloads, casualised contracts and massive inequalities in higher education in the UK. **Join our march through Brighton city centre to show your support for striking workers.** Enough is enough!
